EDITORIAL

Welcome to the February issue of the Gospyan newsletter!

This is the first issue for '93 since we decided to take a break in January by combining it with the December '92 issue.

The Gospyan committee elections are coming up again in March and in this issue you will find a nomination page. If you know anyone who may be interested in becoming a part of the Gospyan committee, please fill out the form and send it in. Of course, if you prefer not to destroy such literary excellence as this newsletter, you may take a photocopy of the page and send that in. (Ok Ok. literary excellence may be going to far).

Oh! And while I think of it! I heard another great joke by a certain well known "Castolorizan" that goes something like this...

QUESTION: What did one Greek termite say to the other Greek termite?

ANSWERS: "Thu Fus Ksilo!" (Knowledge of the Greek language is required)

Hey! I thought it was funny! (This newsletter is beginning to degenerate...)

Yiasas!

President's Report

Hello again,

I hope all of you had an enjoyable Christmas and New Year break, even if there was little rest for many of us.

A big thank-you to those of you who came and supported the GOSPYA New Year's Eve dance. It was great to see so many youth there. See if you can spot yourself in the photos.

The beach days held in December with APYGON, Gold Coast and CYPRIOT Youth were well attended with many sharpening their beach volleyball skills as well as straining their bodies in the "Tug'O'War".

The annual GOSPYA Boat Cruise will be held on Friday night 5th of March on board "The Mirimar" and departing from North Quay for a river cruise from 7pm till 10.30pm.

GOSPYA has two teams entered in the GOYA Beach Volleyball competition being played at OzSports Lang Park on Sunday 7th February commencing at 10am. Come along and support the guys as they battle for glory and cash.

On Sunday the 21st of February, the GOSPYA Open Squash Tournament will be played at QEII Stadium. There will be a men's and women's competition and the tournament is open to all players so start practicing. Trophies will be given to the winners.

"WE'RE HUNTIN' WABBITS!"
SETTING UP THE VOLLEYBALL NETS

Fellowship recommences for the year on Friday the 19th of February and takes a break on March the 5th for the Boat Cruise. It returns again on March 19th and April 2nd.

GOSPYA Club 25 is holding a Valentine's Dinner Dance at Io Ti Amo at Southbank on Saturday the 13th of February. Tickets can be booked by calling me on 018 195 598.

With the GOSPYA committee elections coming up in mid March, I would urge those interested in joining the committee to seriously consider doing so. It is a lot of work but you also have **HEAPS** of fun. Remember that without an active committee, you would not have the many functions, sports and activities in which you participate. Call me on 018 195 598 for more info on how you can help to keep things happening.

New Year's Eve Dance 1992/1993

Report by Chris Hadgis

For the first time in a few years, a New Year's Eve Dance was held at the GOSP Hall by the Southside Parish. Well over 300 people attended the night, which would seem to indicate this function will continue in years to come. A fantastic time was had by all.

ANTHONY MASSELOS, FATHER CONSTANTINE LENTAKIS AND PRESBITERA

GOSP, The Ladies Auxiliary, and GOSPYA combined their resources to set up the hall and prepare the food. It seems everyone came to help on the two nights and the day of the dance. The 1,993 (get it?) balloons had to be blown up and packed in to the fishing net, and streamers were hung from the lights in the hall to provide the festive atmosphere required for such a dance. With a minimum of hassle, the decorations were up and in place.

A large marquis was set up outside the hall with tables and chairs (and its own bar) where people could sit and enjoy the cool summer evening, or take a break between dances. Entertainment was provided by two terrific bands. Hellenic Sounds pumped out the Greek music until about 10.30 or 11.00, and were followed soon

after by the Aussie rock band Matrix, who kept playing until 3 in the morning. Hot food was being cooked until late in the evening, and sold with salads prepared on the day. One group of young kids made up a salad plate in record time!

Thank-you to all the people who were responsible for making this event possible, especially to the Seniors who really wanted this dance to work for the youth. It certainly did work. Most of all we want to thank the people who attended the dance. We certainly hoped everyone enjoyed themselves. It was great to see families and friends come together on this special night of the year. That's what it's all about.

I'd like to take this opportunity to personally wish all our readers, supporters, families, and friends all the best for 1993. May it be a special year for you because it will be for me!!! (ED. See Kotsobolia)

SPORTS REPORT

NETBALL: GOSPYA Maroon are winding up the playing season at Ozsports Salisbury. The team has done fairly well, but may be ceasing competition for good. It remains to be seen if they continue on for another season, however, I will keep you posted as to new developments.

GOSPYA Blue have improved a great deal in their competition at Ozsports Lang Park. The team is currently placed fourth in the competition which consists of eight teams, and still have a win to be added to the points table. Again, I will advise everyone of the progress of the team on the path to the finals.

Fellowship Report

Leah Kypriadakis
Eleni Mihalitsis
Stauros Kazoullis

Well, The time for Christmas has passed, and 1993 has seen in another year, bringing with it new hopes and dreams. Fellowship helped see 1992 through to completion, with our regular and very popular and enjoyable Kalanda. Those that participated must be thanked, as well as those who donated generously at homes we visited.

This year, four groups participated in the Kalanda, compared with three in previous years. As if that wasn't enough, several others joined in the groups as they passed their houses. This very much added to the spirit of the event. In short, those present gained much from the experience.

The beginning of any year is traditionally quiet with respect to regular Fellowship meetings, as a regular time and place is sorted out with various other happenings in GOSP. By Mid-February, Fellowship should have settled down into a routine once again of fortnightly gatherings. Keep your eyes glued to GOSP YAn News for news of these meetings, as well as other events such as Bowling, Movies, and of course, Trivia Nights.

We thank you for your support through 1992, and are looking forward to seeing you all, and hope that the new year brings you happiness and prosperity.
